

Parents,

Our school will have our annual Career Day on Friday, May 22, 2015. We are reaching out to those of you who would be interested in volunteering! If you do volunteer to be a speaker you will receive 3 volunteer hours!

We would love to have a variety of careers to captivate our students' attention, so we need your help! Please note, presenters move from class to class. You will present to at least 3 classes. Classrooms are equipped to watch videos by a USB or CD! All presentations will conclude by 12 p.m. Please make sure you are available between 9 a.m. - 12:00 p.m.

Light breakfast will be served.

If you are interested, please fill out and return the form below **no later than April 17th**. You will receive your schedule with classroom locations via **e-mail** by Monday, May 4th.

Thank you in advance for your cooperation!
