Movies

By: Madison Harris & Angela Lorenzo

Hey Tigers! Lots of exciting movies are coming out this month, like...

- The Good Dinosaur, coming out November 25, 2015- It's an epic journey into a world where dinosaurs are not extinct, and live alongside humans
- The Hunger Games- Mockingjay Part 2, coming out November 20, 2015- It's the final chapter to an amazing story. Can't wait to find out how it ends!

Last month, Hotel Transylvania came out, and let me say, it was spectacular! It's the story of Dracula trying to get his grandson, Dennis, to be a true vampire. It was humorous and contained the same funny characters you met in the first movie.

Fall Fashion

By: Isabella Haquia & Samantha Gonzalez

Hello AcadeMir fashionistas! Here are some tips to follow this season. This season displays the earthy neutrals with a range of bold color statements and patterns to reflect landscape of hope, fun, fantasy, and all things natural. Cozy sweaters, plaid flannels, and riding boots are basic styles for this fall. Girls, don't forget to accessorize your outfit with a bow, scarf, bracelets, or pearls, and a handbag. For a night out in the town, you can accessorize a dress with a nice soft cardigan or coat and heels. Going shopping? Leggings and a loose fitting long sleeve shirt with sneakers make a great outfit for those long trips to the mall. Very important, don't forget to have your hair done. A cute hairstyle is a fishtail braid, which will not tangle your hair. No time for the braid? Leave your hair down for that natural Fall look.
