??? Monthly Questions ???

Upcoming Events

Submit your answers to your teacher by 1/20. If you answer correctly you will be entered in a raffle to win a \$5 gift card. One winner for K-2 and one for 3-5

Kindergarten

Reading: What do living things need to grow?

Math: How can you use objects to show 11 and 12 as ten ones and some more ones?

Science: What are the basic needs of an animal?

Third Grade

Reading: Explain the difference between a simile and a metaphor. Give one example of each.

Math: Guinea pigs eat hay, pellets and vegetables. If Wonder Hay comes in a 5-pound bag and costs \$15, how much does 1 pound of hay cost?

Science: How does a shadow form?

First Grade

Reading: Write two sentences explaining how life long ago is the same as life today and write two sentences explaining how it is different.

Math: Choose a number from 15-50. Draw and write your number as tens and ones. Start at your number. Count forward.

Write the next 5 numbers. Start at your number. Count by tens. Write the next 5 numbers.

Science: There has been no rain for a long time. Many plants have died. Farmers have few crops to sell. What is happening?

Fourth Grade

Reading: What is the difference between theme and main idea?
Writing: what do you need to remember to include in the introduction of an essay?

Math: Lucia spent $\frac{3}{4}$ of her allowance on snacks. Write a fraction that is equivalent to $\frac{3}{4}$.

Science: How is speed calculated? Give an example.

Second Grade

Reading: How does asking and answering questions help you while close reading?

Math: What are four different ways to show \$1.67?

Science: Who was Isaac Newton and what did he teach us about gravity?

Fifth Grade

Reading: How do supporting details help you identify the main idea of a text?

Writing: When and why do we include counterpoint paragraph in an essay?

Math: The school is $\frac{7}{8}$ mile from Leon's house. The library is $\frac{3}{4}$ mile from his house. How much farther from his house is Leon's school than the library?

Science: What is climate?

Top 5 Resolutions

By: Isabella Haquia

1. Win the Lottery
2. Being healthy
3. Living a better life
4. Getting a good job
5. Losing weight

Tongue Twisters

By: Gaby Alvarez

- I thought I thought but the thought I thought wasn't the thought I thought.
- If two witches were watching two watches which witch would watch which watch?

Sports

By: Allna Irisarri

Hi Tigers! For the month of January, we have some very interesting sporting events. To start, the Miami Dolphins definitely rose to the top by winning the last game of the season against the New England Patriots. The Miami Heat is on fire! They are doing great! Last, baseball players are getting traded like Pokemon cards. Next thing you know, Alex Rodriguez from the New York Yankees will end up with the Boston Red Sox. How crazy is that?

Teacher Spotlight

By: Tiger Times News Team

Samantha Gonzalez & Ivanna Garrido: What is your New Year's resolution?

Mrs. Montero: To be a good mom to my new son Miles.

Jordan Samuel & Madison Harris: What is your New Year's resolution?

Mrs. Cuadras: Exercise more and eat healthier.

Samantha Mirabal M. & Melany Fuentes: What is your New Year's resolution?

Mrs. Sweet: To exercise more.

Angela Lorenzo: What is your New Year's resolution?

Mrs. Guzman: To make more time for myself.

Video Games

By: Jordan Samuel & David Valcarcel

What up gamers! We're back with the newest Tiger Times of the year. We are ready to "mine" into things. This month we are talking about Minecraft. Story modes last episode release date, that's right! The last episode "order up" is coming this month, on the 19th. In my opinion, I think a new command block will be formed and save Ruben. It could also be captured and the dragon will be released on Minecraft. We will have to wait and see the results.

Tips and hints for the game: you can choose a character to begin that is named Jesse. You will start playing a mission called "The Order of the Stone". You will also have a pet pit named Reuben.

Movies

By: David Valcarcel

Hey Tigers! Two exciting movies are coming out this month! We have Kung Fu Panda 3 and Norm of the North. Don't forget to check them out. Happy watching!

Student Recognition

Congratulations to our own ACSW Robotics Team!

The Robotics Team won 1st place at the VEX-IQ qualifying competition. They are on their way to compete at the Robotics State Competition in the city of Tampa. A big round of applause to the following students for participating in the VEX-IQ qualifying competition: Eric Diaz, Albert Abrahantes, Melany Cerna, and Marco Elizondo.
