Spelling Bee

by Karina Cruz and Isabella Gonzalez

On Tuesday, February 6th our ACSW Tigers participated in the 7th Annual Spelling Bee Competition. During this event students practiced as if they were competing in the real Scripps National Spelling Bee Competition. "My favorite part was spelling out the words correctly," said Catheryn Sardina. For our 5th grade students one representative will attend the Miami Herald Spelling Bee Competition at Jungle Island on Tuesday, March 6th. We would like to congratulate and wish Oliver Bas the best of luck in the district competition.

100th Day of School

by Alexandra Novoa and Isabella Graña

On the 100th day of school our Kinder, First and Second grade students got to dress like 100-year-old people. The event took place on February 11, 2018. It was also a celebration of how much knowledge we have acquired in 100 days. It was a fun day, and we can't wait to celebrate it again.

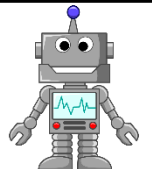

Teacher of the Month

by Amber Fiallo and Jessica Souss

Congratulations to our February Teacher of the Month Mrs. Guzman. She was awarded teacher of the month because of her dedication, and passion for teaching. She graduated in 2012 from Florida International University and has been working at AcadeMir ever since. Mrs. Guzman is a creative, loving, and patient teacher and we are thrilled that she has received this award.

Robotics

Congratulations to our Robotics team who qualified for the VEX Worlds Competition in Kentucky on February 19th. Our students have worked extremely hard to qualify for this competition. Please help them make the trip a reality by donating to their GoFundMe page.

Valentine's Dance

by Angelica Perez and Sofia Alvarez

February 14th was a day filled with love at ACSW. Students got to wear pink or red shirts with jeans. Many students received Valentine's Day Grams from their friends. The best part of the day was the Valentine's Day dance. Kinder, First and Second grade got to celebrate in the gym. Third, Fourth and Fifth grade got to party in the cafeteria. "We had so much fun dancing to the music with our friends," said Isabella Gonzalez. We love music and hope to have more dances at AcadeMir in the future.

Court of Dreams

by Emily Lopez and Hayley Hernandez

On Saturday, February 24th AcadeMir Charter School West had their Annual Court of Dreams event at the American Airlines Arena. Our rivals were the Eureka and Miller campus. In the championship game, we had West against Eureka. It was a close game, but the winner was... West! Our players played a great game, and our Cheerleaders and Mirette dancers did a fabulous job during the halftime show.

Please visit our GoFundMe page to learn more about how you can help Mr. Granada in his time of need.

A man must get a fox, a chicken, and a sack of corn across a river. He has a rowboat, and it can only carry him and one other thing. If the fox and the chicken are left together, the fox will eat the chicken. If the chicken and the corn are left together, the chicken will eat the corn. How does the man do it?
