S.T.E.M Night

by Emily Lopez

March 2nd was our ACSW S.T.E.M night. There were so many fun stations to visit this year. Ms. Rossi had a gravity station. Ms. Pinon had a dry ice experiment, and Ms. Ribbeck was doing tie-dye activities. This was just a few of the fun things we did at this event. We also got to learn more about the Everglades with special visitors from the Everglades Foundation. This event was definitely a blast!

Teacher of the Month

by Amber Fiallo and Jessica Souss

Congratulations to our March Teacher of the Month Ms. Rossi. She was awarded teacher of the month because of her innovative teaching techniques. Ms. Rossi graduated from Florida International University in 2011 and joined our AcadeMir family this year. She loves to teach and educate children. We asked Ms. Rossi how she felt about being awarded teacher of the month, and she says she's ecstatic and very appreciative. Congratulations to her once again.

St. Patrick's Day

Block Party for Robotics

by Sofia Alvarez and Alexandra Novoa

On Friday, March 9th we had a fabulous St. Patrick's Day Block Party. Many Tigers came to dunk Mr. Gonzalez. He got super wet, and we had a lot of fun. There was also a lot of food, music, and dancing. All the money raised will be used to help our Robotics team go to the VEX Worlds Competition in Kentucky. Please help them make the trip a reality by donating to their GoFundMe page.

SAT and FSA Pep Rally

On Wednesday, March 21st our ACSW Tigers participated in the SAT/FSA Pep Rally. Everyone dressed in Miami Vice or Neon colors. Students watched a fantastic performance by the ACSW cheerleaders. The Miami Heat Extreme Team and Bernie came to help us celebrate and play games. At the end of the pep rally, we had a special visit from Black Panther and Spiderman. "My favorite part was watching all the flips and games," said Isabella Gonzalez. It was a magnificent event, and everyone is ready to do their best on the SAT and FSA test.

Read Across America

by Angelica Perez and Isabella Gonzalez

On Friday, March 2nd Academir Charter School West celebrated Read Across America Day. This is an important event to promote reading. This year everyone dressed as their favorite Dr. Seuss character or wore a Dr. Seuss shirt. Ms. Bernal led the Kinder and First-grade students in a parade around the school; while everyone cheered for their awesome costumes. "My favorite part was watching the parade and dressing up," said Amber Fiallo. We loved being able to celebrate Dr. Seuss and all the great authors that write books for us to read every day.

Please visit our GoFundMe page to learn more about how you can help Mr. Granada in his time of need.
