A Time to Give Back!

By: Camila Galvis

As usual, ACSW's Student Council, F.F.E.A. Club, and National Honor Society will sponsor our annual canned food drive! A food drive is a form of charity, and we can all come together a school and be part of this great cause. This food drive can help people out if they can't afford food during the holiday season. Food drives provide nutrients and balanced food for them as well. A canned food drive is conducted by a group of individuals or a corporation to stockpile and distribute food to people in need. There are 200 food banks in America. 70,000 programs provide food directly to individuals and family members. 40 million people struggle with hunger in the United States, including more than 12 million children. This year we will partner with the Miami Rescue Mission. The Miami Rescue Mission has served over 970,000 meals to the homeless and hungry men, women, and children in the community. We need your help to "PACK THE PANTRY". Between November 1st and November 19th, you can donate items such as: canned foods, cases of bottled water, and canned sodas, and other non-perishable items. You may drop off your donations at any of the decorated boxes located throughout the first floor of the school.
